Would you like to view awesome pictures from our band season?

Just follow the link to the instructions on how to share or view pictures from throughout the 2023 season!

Below is a quick summary on how it works. Link to the full explanation including event links, follow this link: [PICTURES LINK](#)

- Each event (game, competition, etc) will have its own album
- A unique link will be shared for each individual album
- You can view them one of two ways:
 - Downloading the google photos app on your phone (recommended)
 - Googling google photos on computer
- Once a person uses the link to join the album they can then invite other people to join the album. For example, if a band member joins they can then send a link to other band members, parents or other family members to join
- This is view only-nobody will have the ability to add more pictures.. While there is a "like" or comment option just a reminder that all comments need to be respectful.
- Pictures should be uploaded within a few days of each event and the new link will be sent out at that time for the new album

Fundraising

Our pepperoni roller fundraiser that has been a fan favorite for years kicked off on October 2nd. This year will be an online only sale, so please be on the lookout for that info and the sale link will stay live for 3 weeks!

Tuesday, October 24th, Frisch's Big Boy is going to host an "end of the season" dine in event for us! A portion of sales that evening will be donated directly back to the band. Look for updates coming soon!

Some of you may have already seen the link over on our official band boosters Facebook page, but this year we have teamed up with the Columbus Blue Jackets, and they have given us 4 games that we can purchase tickets to, and a portion of the ticket sales go directly back to the band. If you're planning on attending any games this season, this is a great opportunity for you to also support our band! Please share this link with everyone you know, it doesn't just have to be band families buying the tickets. www.bluejackets.com/centralcrossingband will have all of the details
