## Fundraising

This week is Senior Night and we want all of the senior parents be be able to enjoy the evening, with that being said, we are going to need some extra help in the concession stands this week! Please respond to this email, or email me at [ccmbfundraising@gmail.com](mailto:ccmbfundraising@gmail.com) to sign up to help! We have a lot of fun, and you get to interact with the kids and other families. Also, with being very busy last week, we are out of just about everything! I am looking for donations to get the stands stocked with week. You can either donate money through my Venmo @Kelsey-Miller-1286, (last 4 digits are 1973) or in the band room in an envelope marked "CONCESSIONS", or if you would like to do some shopping for the concessions stands, you can email me and I can give you a shopping list! Everything must be purchased by Wednesday this week so we can be ready for Friday.

- We have 3 Blue Jackets games that we have tickets available for sale that a portion of the ticket sales will be donated right back to our band. [bluejackets.com/centralcrossingband](http://bluejackets.com/centralcrossingband)
- Our favorite food fundraiser, the pepperoni rollers, is also going on right now, and we have one more week to push for those sales! All orders will need picked up on delivery day and you will be responsible for delivering the orders your student sold. This is done all online this year, so be sure to share that link! [order.pepperonirollers.com/centralcrossingbands23](http://order.pepperonirollers.com/centralcrossingbands23)
- We also have a dine-in event scheduled this month at Frisch's on October 25th. Details should be sent to me this week about it, and I will share all of the details as soon as I have them. Thank you for supporting our dine in events, it is always nice to pair up with a local restaurant, and be able to help them while they are helping us in return. If you know of any restaurants that would like to host a dine in event with us, please reach out and let me know, I will happily get it set up!
