"Full" Uniform (often called the competition uniform):

Under Uniform = Oceans Apart shirt

Disney Trip Meeting:

will take place on **Monday, November 28, 7:00pm** in the CCHS Auditorium. Parents or guardians of students attending this trip should plan on attending with their child. We will be discussing the rules and student expectations for the trip, what can be brought on the trip (to name a few topics).

Concert Band Season is Starting Soon!

Students in the Color Guard NOT playing and instrument in the Concert Bands will be assigned to a study hall for the remainder of the semester. All other students will be required to perform live or submit a video of their 2022 Concert Band Audition material by November 10th. Students will then be assigned to either the Symphonic Band or the Concert Band based on their audition. Both bands will meet during 4th period and will have lunch 5th period.

Additional Winter Performance Opportunities!!

Jazz Band, Instrumental Ensemble, Pep Band, Winter Guard, Indoor Percussion, Solo & Ensemble, Group Lessons - *Please read all details of the group(s) you are interested in participating*

- **Jazz Band:** Any current band student can add the Jazz Band elective to their schedule. There are no additional fees for this repeatable, semester class. Jazz Band takes place during the first part of 5th period so it easily fits into any student's current schedule. **Fee: None**
- **Instrumental Ensemble:** Any current band student can add the Instrumental Ensemble elective to their schedule. There are no additional fees for this repeatable, semester class. This class meets after school from 3:25 to 4:10pm each day of the week, with some flexibility. This class is run by Mr Hubbell and Mr Blume where students can have access to the music wing each day after school to practice individually, receive help from teachers, work in groups on music for small ensembles, practice on instruments students do not have access to at home, etc. **Fee: None**
- **Pep Band:** Pep band is not a class but an after school ensemble that performs at approximately 10 home basketball games from December through February. Any current band students can join the pep band and there is no fee for participation. Requirements involve several after school practices to learn the music and then periodic games throughout basketball season (no weekly practices). **Fee: None**
- **Winter Guard:** Winter Guard is an optional ensemble from November through April where student participation is by audition only. **Only students with zero band fee balances may be eligible to audition** and all participating students must be members (or planning on becoming members the following season) of the CCHS Band Fall Color Guard. There is an additional fee for participation. **Fee: \$400**
- **Indoor Percussion:** Indoor Percussion Ensemble is an optional ensemble from November through April where student participation is by audition only. **Only students with zero band fee balances may be eligible to audition** and all participating students must be members (or planning on becoming members the following season) of the CCHS Band (unless a non-band instrument). There is an additional fee for participation. **Fee: \$400**
- **Solo & Ensemble:** We highly recommend that all students get involved in Solo & Ensemble! This is an optional opportunity where students can independently perform solos or in groups and be evaluated by a professional educator at the OMEA Solo & Ensemble Adjudicated Event in January of 2023. This is a GREAT way to further develop a student's musicianship beyond the regular band program. **Fee: Solo = \$21, Ensemble = \$26**
- **Group Lessons:** Individual and small group lessons are invaluable to a student's musical development. We understand that private lessons are not always accessible to all students so we offer group lessons for students throughout the winter and spring where students can have the opportunity to develop their skills with more individualized instruction. The group lesson program is optional and does require a \$5 payment for each lesson (compared to private lessons costing anywhere from \$15-\$20+ per lesson). Schedules will be made available on the band website calendar. **Fee: \$5.00 per lesson**

Winter "Full Band Fundraiser" @ OSU Stadium Dec. 3, 4, 10, 11

We feel very lucky to have the opportunity to raise THOUSANDS of dollars by installing and removing the seats at "The Shoe." We will be uninstalling the seats at the stadium on the above dates in 2 shifts; morning and afternoon each day. We will be asking that ALL students sign up for 2 shifts on different days (if works with their family schedule) due to the physical nature of this Fundraiser. We really need parent help with this fundraiser as well! We are trying to do more of these high dollar, event based fundraisers instead of constantly asking students to sell "smaller" items throughout the entire year.

2022 Competition Schedule *attendance is required at all performances
