“Fair Share” Band Fee Information

All four high school bands in South Western City Schools (and the majority of bands in the United States for that matter) require a band fee for the high school Band and Flags classes to supplement the many expenses associated with participation in these awesome high school electives! The band fee only covers approximately 50% of the cost of student participation which is why regular participation and volunteering in the Band’s fundraising opportunities is so important to be able to cover the remaining 50% of the costs!

Current Band Fee Schedule through August 15 (this is the total amount “due to date”)

Band & Guard+Band (\$475 Total)

\$250 currently past due to date
