Marching Band Contest Etiquette

Contest Courtesy

- Cheer enthusiastically for all bands. Our performance is not diminished when we applaud others. In fact, just the opposite occurs. Other parent groups see and appreciate our response to their bands and reciprocate with their applause.
- Avoid talking or other interruptions or distractions during any band's performance
- Avoid finding, entering, or exiting your seats while a band is performing. Show a friendly, helpful and enthusiastic attitude toward other fans. Parents should be the same "leaders" in the stands they expect their students to be on the field, and vice versa.
- Try to sit near other Central Crossing Band parents. A group is much easier to spot from the field and shows our band how many of us are there supporting them. (And, try to help other Central Crossing Band parents find seats near the group, too)

Cheer exuberantly, but be careful that your cheering does not drown out delicate musical passages, audible drum major signals, or generally detract from the performance. Thank you!
