A SUCCESSFUL START TO THE COMPETITIVE SEASON!

The CCHS Band has had an amazing start to the competition portion of the 2023 Marching Band season with three outstanding performances. These incredible performances have led to the following recognitions:

OMEA Tippecanoe

- Best General Effect, 2nd Place class AA, and Reserve Grand Champion

Bands of America Central Ohio Regional Championship

- Best Music Class AA, 2nd Place class AA, Division 1 rating (highest rating), and named a Regional Finalist

Would you like to view awesome pictures from our band season?

Just follow the link to the instructions on how to share or view pictures from throughout the 2023 season!

Below is a quick summary on how it works. Link to the full explanation including event links, follow this link: [PICTURES LINK](#)

- Each event (game, competition, etc) will have its own album
- A unique link will be shared for each individual album
- You can view them one of two ways:
 - Downloading the google photos app on your phone (recommended)
 - Googling google photos on computer
- Once a person uses the link to join the album they can then invite other people to join the album. For example, if a band member joins they can then send a link to other band members, parents or other family members to join
- This is view only-nobody will have the ability to add more pictures.. While there is a "like" or comment option just a reminder that all comments need to be respectful.
- Pictures should be uploaded within a few days of each event and the new link will be sent out at that time for the new album
