Dear Patron,

On behalf of the Central Crossing High School Band Booster Association, I would like to welcome you to our band family and thank you for your interest in our students by reading this letter. My name is Eric Hubbell, I am the Director of Bands at CCHS and I am writing to you today because our band is in need of your support!

The Central Crossing Instrumental Music Department offers students a variety of opportunities throughout the year: marching band, jazz band, symphonic band, concert band, pep band, indoor percussion, color guard, and winterguard. The band experience instills values that go far beyond the classroom such as discipline, cooperation, leadership and teamwork. Our students set high goals and put forth great focus and effort at every practice and performance. They represent our community well with their performances and the manner in which they conduct themselves at competitions and events.

Sponsorship is the best way to get involved and support our students while also providing exposure for your business, group, or venue. Your entire donation is tax exempt according to section 170 (c) (1) of the Federal Income Tax Code; use tax id #01-0624969. The Central Crossing Band Booster Association is a non-profit 501 (c) (3) tax exempt organization.

During my tenure, the Central Crossing Instrumental Music Program has been extremely active in competitions and involvement with the community. The groups have travelled across the entire state of Ohio as well as Indiana, Missouri, Michigan, Atlanta, New York, Pennsylvania, Maryland, Kentucky, Tennessee, and Florida representing not only Ohio but the Grove City community!! So many people have asked me where Grove City is and were amazed at our level of performance. It is support from organizations like yours that keep our groups active and able to perform at such a high level. Grove City is known for its musical programs and I personally find it an honor to be a representative of this fine and supportive city.

I would like to personally invite you to join us at one of our many events or competitions to witness the incredible efforts made by these outstanding young members of our community. Thank you in advance for your consideration and support.

Sincerely,

Eric Hubbell
Instrumental Music Department - Director of Bands

The **Marching Band** is active in Bands of America (BOA) and the Ohio Music Education Association (OMEA). Since 2002 the Marching Band has been a regional finalist at BOA competitions and a semi finalist three times at the BOA National Competition held in Indianapolis. The Marching band has won numerous grand Championships and first place honors at the OMEA Competitions held throughout the State.

The **Jazz Band** is an integral part of the community performing at many events held throughout the area. The Elks Club, VFW, and Eagles are just a few venues at which the group has performed. In 2007 the Jazz Ensemble traveled to New York and competed in the Heritage Festivals Competition and received a first place award. In 2008 the group traveled to Atlanta Georgia and received another first place award. In 2011, the Jazz Ensemble along with the Marching band traveled to Disney World to perform in front of crowds of people from across the country and the world! Most recently in 2018, the Jazz Ensemble traveled to Chicago, Illinois to perform at the Chicago Field Museum!

The **Symphonic Band and two Concert Bands** perform throughout the year in concerts for the public as well as competing in the OMEA District and State Competitions held in the spring. The groups have received superior ratings at all of these events. **The 2014 Concert Band won a NATIONAL CHAMPIONSHIP at the OUTBACK BOWL FESTIVAL in Tampa, FL.**

Central Crossing is extremely proud of its **Winterguard and Percussion Programs**. The time and dedication these groups put in are amazing. These groups are active in the winter and spring months of the year and are open to all band and non band members through an audition process. The students in these winter ensembles have received multiple state championships as well!
