CHAPERONE INFORMATION PACKET

DISNEY 2026

Central
Crossing
Orchestra

Chaperone Information

General Responsibilities

- Help manage student behavior on the bus, hotel, and during the trip
- Assist with maintaining bus cleanliness
- Coordinate check in/roll call of students each time the bus is loaded
- Help make sure students receive park tickets and meal cards
- Conduct student hotel room evening check-in, door taping and morning tape removal
- Assist managing medical emergencies for proper referral
- Manage student check-ins at the parks
- Assist with any special student needs
- Serve as a liaison between students and Melissa Cox for medication needs

The following information covers responsibilities in more detail. If you feel you need more clarification than the information below, please let a band director know. We trust that you will exercise good judgment as parents to do whatever is necessary within these guidelines to assure a safe, well run, and pleasant trip for all participants.

DEPARTURE AND ON THE BUS

- Please arrive around 10:20am Friday morning.
- Assist with tagging of luggage. Tags will be provided by Bob Rogers.
- Assist with loading of buses (including plumes & raincoats under bus #1)
    - Buses arrive at 12:00pm, Departure 1:00pm
- PLEASE NOTE: Students are not permitted to have access to their “ONE under bus” piece of luggage once it is loaded and will not have access again until arrival to the hotel the following evening
- Students will have an “inspection” completed by the band directors in the band room prior to departure.
- Plan ahead for potential ways to help yourself be “more” comfortable for the night’s sleep on the bus and for long days in the park!

The students should load under the bus:

- One reasonably sized suitcase
- Instrument - we are not taking the banner
- Uniform bag laid flat with other uniforms only, shako box
- Marching band shoes AND long black socks in bottom of uniform bag

The students should board the bus with:

- 1 small carry on (plus optional Bob Rogers travel bag)
- Pillow and blanket

- Assist in helping students follow bus rules
  - Help make sure students are sitting in their assigned seats. Take attendance after each stop where students exit the bus.
  - Assist with encouraging a quiet environment after "lights out" on the overnight portion of the trip.
  - Help monitor that no music is being played over bluetooth devices, headphones only to not disturb others.
  - Assist students in cleaning up their own spills.
  - Help manage the playing of movies on your bus. Only movies with a PG rating or lower are allowed. Any movie with inappropriate content (not playable in school) should be stopped immediately or ideally, never played.
  - Do not allow students to unload the bus until you receive clearance and a time is given for their return. This may mean holding students on the bus, even if other buses are unloading.
  - Help monitor that food and <u>sealable</u> beverages are only on the bus. Students should NOT be bringing food from meal stops back on the bus (only in special circumstances).
- Establish a procedure for handling debris. No food or drink should be placed above the seat. Have students regularly check and clean floors. Periodically pass trash bags up and down the aisle for regular trash removal from the seat areas.

<u>AT HOTEL</u>

- Upon arrival, hotel keys will be handed out to room captains. Students should go directly to their rooms and get ready for bed. Locate your student's rooms after you have checked into your room.
- At all other times male/female visiting should only be done outside rooms or in public areas.

- Conduct nightly room checks for your assigned students before placing tape on the door (please bring a roll of blue painters tape). Each student must be visible for attendance. Remind them of quiet time and that their door will be taped after room check and untapped by a chaperone when released for breakfast. Checks should begin around the “light out time” in the itinerary.
- Breakfast is not optional. All students must report to breakfast.
- Noise should be closely monitored for volume so as to not annoy other hotel guests.
- Students that leave the hotel premises with an approved adult should check in and check out with their chaperone (this rarely occurs and should be pre-arranged).
- Students should not leave the hotel to walk to any other nearby attractions.
- In case of an extreme illness a chaperone may be asked to stay back at the hotel with a student. Each situation will be discussed with staff and discussed accordingly.
- Assist with transfer of responsibility to parent or guardian if occurs at hotel

AT DISNEY

- Students will receive a ticket and meal card. Please help remind students that MEAL CARDS cannot be replaced. Park tickets can be replaced.
- Complete check-ins with students at 2:00pm and 6:00pm while at parks
    - Have students individually respond to you in your group on the BRT app (groups will be created by directors)
    - report names of students not checking in to directors
- Help provide friendly reminders during the day
    - Examples: “Everyone should be headed to the buses,” “Buses are located…….,” “You should now be at breakfast!”
- Keep an eye out for CCHS band members traveling through the park by themselves
- Assist with transfer of responsibility to parent or guardian if occurs at park
- Assist in getting students to the 2:55 parade report area on Sunday at the Magic Kingdom (between "Walt Disney's Carousel of Progress" and the "Rocket Tower Plaza" Stage).

Chaperone Student Assignments
