IMPORTANT: CCHS Band Attendance Policy

As a general reminder, the CCHS Marching Band is not extracurricular, it is co-curricular. Attendance and the work completed at after school practices and performances are tied to a student's grade, just like a student's attendance and classwork during the "regular" school day. Absences can only be communicated by a parent or guardian unless the student is 18 years old. All other CCHS attendance policies apply. More information can be found in the CCHS Band Handbook here:
Band Handbook 2026.pdf

Our 1st OMEA Band Competition is Sept. 12th @ Licking Heights HS

It is hard to believe it is almost time for our first band competition! It is important that we have 100% participation in our performances. There are no replacements to fill missing students in our band meaning every member is critically important to our team. We can't field our best team at a competition with missing players! Plus, it is a large portion of a student's grade. It will be a big competition with CCHS performing at 9:00pm! A detailed itinerary is coming soon, but plan on students reporting in the afternoon and getting home sometime after 11:00pm. It will be an exciting day and we hope to see you there!
